

Newtonia 1963

Harry
books like car
too many people have
written up here, so
will. Members and all the
junior year, and together
fun we had (or was in black)
that all blue (or was in black)
ford, that didn't always want
to co-operate, but we finally
managed to make it go, every
morning, and nearly every
night after school. I like
ford ya got now tho. Every
black & white. I can
plainly see. This per
cent's the quarters.
I got in from Saigon
No wonder huh?
Hope your
senior year
is a great one for you. Including
every thing. Be good if you can
and good luck! ^{Always} a real
good guy.

Curly Lynn
"65" ^{the best}
Will be a
wonderful
year!

I'm giving up on this pen.

Newtonia

1963

Within the pages of this 1963 Newtonia are recorded in picture and story the people and the events that enlivened the year at N.H.S. The activities and accomplishments, the fun and frolic, the serious and somber are set down in this book of memories. We the staff hope that this Newtonia will preserve for you the highlights of the days and months past.

*Our
Year
1963*

"THAT WONDERFUL YEAR"
1962-1963

The book of daily events of the school year 1962-63 is completed. It is full of interesting chapters, replete with pictures and spectacular happenings because Newton High has ascended to heights of new and higher achievements.

These achievements have done more to bind this community closer than anything else that has ever happened here.

Our mascot "The Cardinal" has been crowned many times this year. He has worn his crown with dignity and yet with a certain degree of humbleness. May we not only be aware of these characteristics but may we always be willing to assume the extra responsibility that goes with being a true champion.

Yes, the year 1962-1963 was a wonderful year. It has given us much to live by and to live for.

LETTER OF INTRODUCTION

Greetings World!

*We're the Newton class of '63,
Often praised for victory . . .
Yet, more still, for humility and team work.*

*Classes have gone, have come;
But seldom have they
Won the victories of this year.*

*There were sports:
Football, the C.I.C.,
Champs and fighters—yes-ir-ee!*

*Our team topped the state in basketball.
The town folk termed them "a sure bet";
But our boys knew their true bond,
"A lot of work and a lot of sweat."*

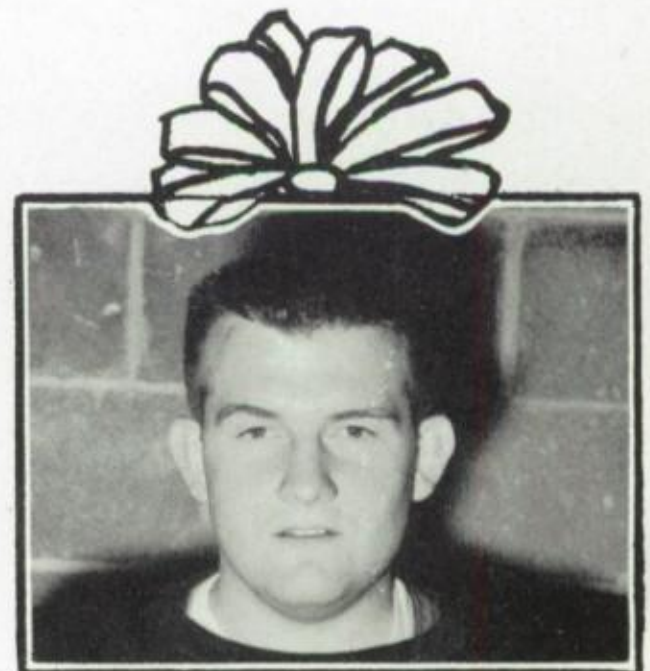

*Scholastically we've set a fine example.
In drama, in music, in speech—first place!
All of which broadened the grin
On ol' Pop Lynn's face.*

*Let it be said,
"We have not let this glory go to our heads."
As most would agree, we've tried to make friends,
Gain respect, and foster loyalty.*

*Now we disperse.
Lifting our eyes to a beckoning star,
We can fairly hear our Cardinal sing . . .
"Become, become what YOU really are."*

DOUG NICHOL

SENIOR SONG

To the tune of "You'll Never Walk Alone"

First Verse:

*We are now at the end
of three great years
And we'd like to start them anew.*

*Only three years ago we were
lowly sophs.
And we thought we would never be
through.*

*We've all had our day—
sports, music, or speech—
And we've left behind some greats.*

*To you, those behind, we all leave
our Best
In what e're that you may do
For our three years are through.*

Second Verse:

*As we walk through these doors
with our heads held high—
So proud of the records we've made—*

*We'll remember these days with
memories so dear,
And have hopes that they never
will fade.*

*We've made many friends
We'll keep to the end
Tho our ways are soon to part.*

*We'll each go our way, and
each passing day
We'll remember Newton High
Remember Newton High!*

CLASS CHEER

*Boom, Chop, Boom, Chop, Boom, Chop, Boom!
We're going to graduate without gloom.
So watch out world we need room.*

*Hail to the Class of "63".
We are the best,
And reached the crest,
We're champs in all there be.*

"PEACE"

Dear Lord and Father of Mankind,
Forgive our foolish ways
Reclothe us our rightful mind
In purer lives Thy service find
In deeper reverence, praise

Drop Thy still dews of quietness
Till all our strivings cease
Take from our souls the strain and
stress
And let our ordered lives confess
The beauty of Thy peace

Breathe through the pulse of our
desire
Thy coolness and Thy balm
Let sense be dumb, let flesh retire
Speak through the earthquake wind
and fire
O Still, small voice of calm.

Bernd Rosenberger

May, 1963

My Dear Friends,

Now, almost at the end of my stay here in Newton, I want to tell you how much I liked you, how sad I am realizing that I have to leave you next month. I never forget the many things we did together, the fun we had together.

I remember the first school day very well. I was standing in front of you, alone, a little scared, uncertain whether you would accept me, whether we would understand each other or not. But I quickly found the answer. Because of your help, we not only went along very well, but many of you became unforgettable friends.

I remember the first pep assembly. Everyone was excited and hurried, almost ran, to the gym. Someone explained that we have a pep assembly. "Pep assembly, What is it? Maybe it has something to do with pepper!" But this idea did not make any sense to me. I therefore just followed the crowd. Then I saw something I never had expected—six beautiful girls were jumping in front of the students, everybody was yelling and screaming. A boy was conducting the band, therefore the band played although I did not hear any music. I was more than confused, I was shocked. But after a while, I began to enjoy it, and today I think we should have a pep assembly every Friday.

I always remember Homecoming, the so successful football season. During this season, I discovered the tremendous school spirit you have, a school spirit which I believed at that time would not have been better. But the basketball season had not yet been started. All State Music Festival, the operetta, the good season of the wrestling team, the great success of the debate team, and last, but certainly not least, the success of the track team were the highpoints during my stay. But above all, the basketball season has to be ranked. I have never experienced so much excitement, so much tension, so great happiness. State Champions! We are number one!

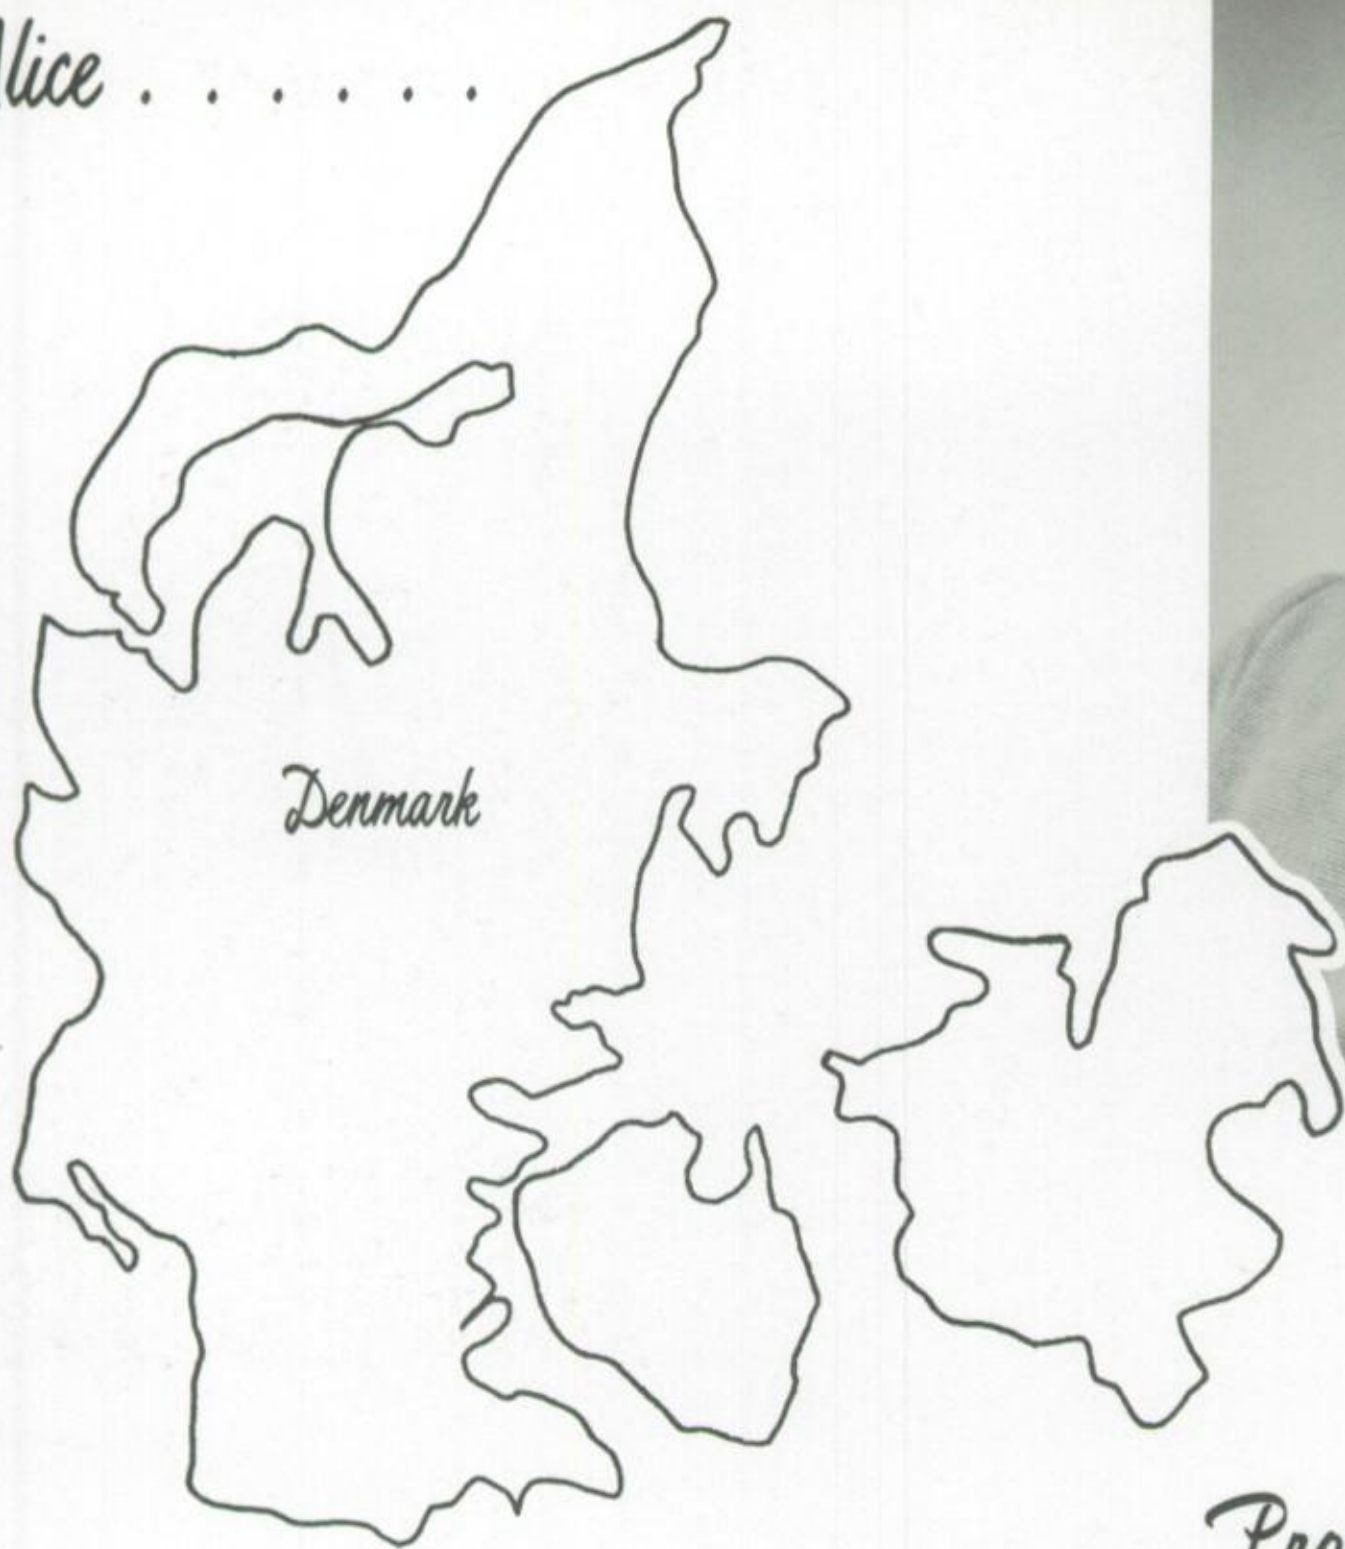

During all the year, I observed something that impressed me most, the excellent relationship between teacher and student. The teachers are more like very good friends of the students than persons who just present their material, give tests and grades, and then believe they have done their job. Such a relationship was the main reason for your school spirit, for your great success not only in different activities, but also in the academic subjects.

I cannot end my letter without having mentioned one name: Mr. "Pop" Lynn. I have never met a person with a so fine understanding of the students' problems, with so much love and enthusiasm for his work, for his school. At this point I want to express my deepest gratitude and respect to Mr. Lynn.

I want to thank everybody for the things he has done for me. Your school was not just a building that I had to go to every day, it also became *my* school where I found so many friends. I want to thank Mr. and Mrs. Perryman who opened me their home and who became so wonderful, understanding parents. I want to thank Newton which became my second hometown.

Brend Roseberger

Alice

. Promotes A. F. S.

I want to thank the student body, faculty, and community for your support in making my AFS experience possible. It has been the most fascinating and rewarding opportunity in my lifetime.

During my stay, the summer of 1962, I lived with the Frede Lund family in Fodby, Denmark. It was a big happy family of five girls, with my outnumbered father farming a 70 acre farm. My sisters were Signe 19; Birget 17; Else Margrethe 16; Lise 14; and Sos 9. Needless to say we had many wonderful times together and I found them very much like any American sister would be.

When I think of Denmark, I think first of the kind, warm, and friendly people. They were fun-loving and entertained themselves in many of the same ways we do here. People all over the world are the same, and I am convinced that with more of these programs we could end strife between nations.

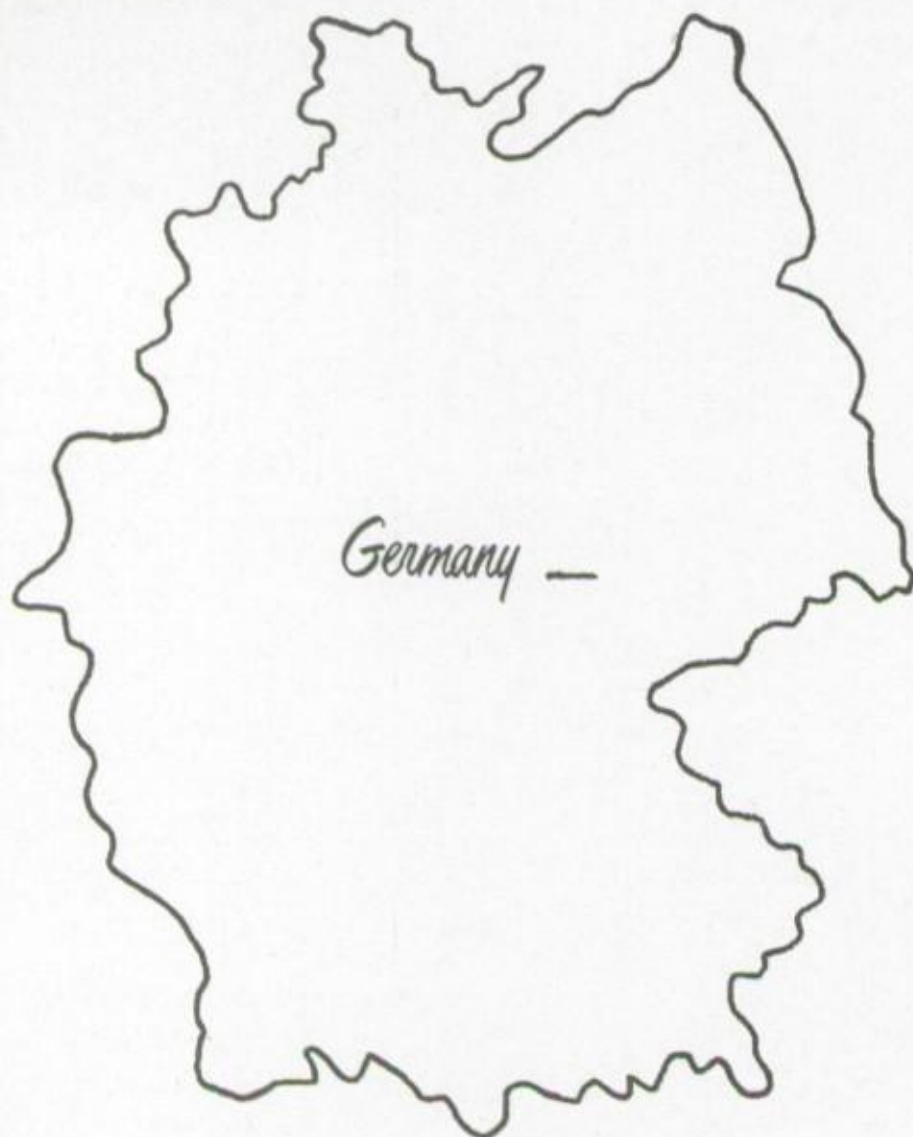

Although Denmark is a small country, you are fascinated by its beauty and cleanliness. You see white-washed houses; beautiful, old churches; gar-

dens full of flowers; windmills; millions of bicycles; thatched-roofed houses, as well as modern new brick ones. Or in the city-life of Copenhagen you might be engulfed by the many beautiful parks, the spires and bustling streets, or by Tivoli, a fascinating amusement park.

This is an experience which I will never, never forget. For future classes—take advantage of this AFS program, it is most certainly worthy of your consideration and support. I felt it was a very real honor to represent my country and hope that I represented it well. I know that this experience has helped me more than I can ever realize and it would not have been possible without the help from my parents, friends, teachers, and especially the local AFS committee, who worked so hard to enable me to go.

Alice Davis
American Field Service
Student to Denmark—
Summer 1962

Janet-A. F. S. Representative in Germany

I spent the first semester of the 1962-63 school year in Osnabrück, Germany under the Scholarship Program of the American Field Service. During that time, I lived with the Wilhelm Moorman family and attended the Neues Gymnasium für Mädchen, a school for girls.

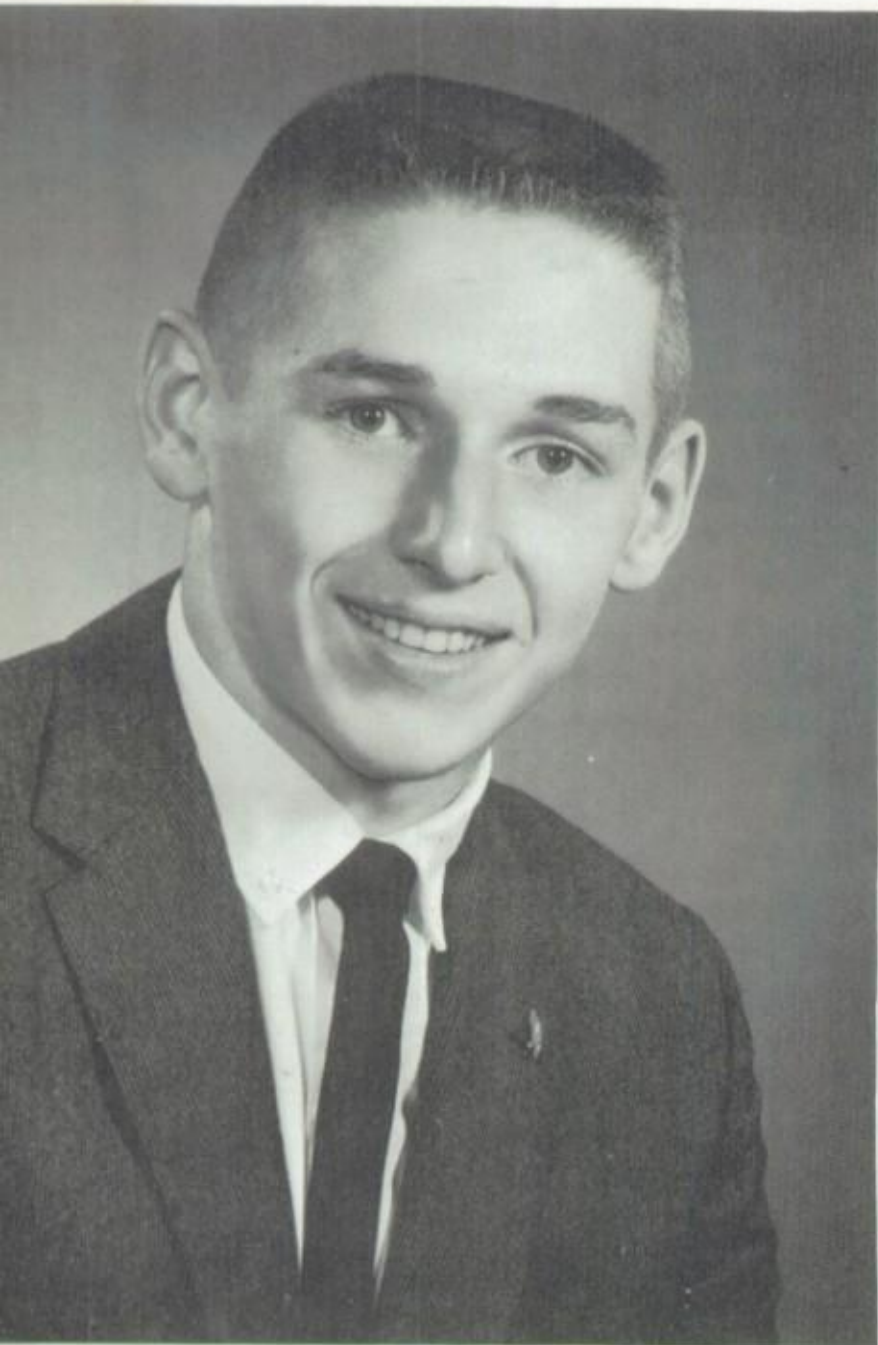

My host family was truly wonderful. Largely because of my German parents and their children, I had an enjoyable time, met people, learned much, particularly about the people and culture of Germany, and greatly broadened my insight. This all combined to make an invaluable, unforgettable experience.

The real importance of A.F.S. lies in the effect upon so many indirectly for every one individual who participates directly. It is this which gives the American Field Service real potential for a widespread influence. During my stay in Germany, many Germans came to know the United States a little better

by knowing me. Needless to say, this was an honor and a responsibility, both of which I was conscious of and grateful for. In turn, these people taught me much about their country, which I have been able to pass on to scores of people in Newton with whom I have discussed my experience.

I greatly appreciate all the help which so many gave during my fund raising drive. I only hope that those who are not familiar with A.F.S. will make an effort to become better acquainted with the organization and then decide that they would like to support it. For better international understanding, which can be increased by a program such as this, *if* it is present on a grand scale, offers possibilities for solutions to some of our problems which we cannot afford to overlook.

Janet Van Dyke
A.F.S. Student
Germany—Fall, 1962

Valedictorian

Tom Altemeier, with a 3.91 grade average, is the 1963 Valedictorian.

Tom has been very active in outside activities as well as establishing this remarkable academic record. These outside activities include four years in football, four years in basketball, four years in track, student council, National Athletic Honor Society, president of the Junior class, secretary of the Delts during his sophomore year, District student council officer, and active in his church.

Tom made the all-state team in both football and basketball, all CIC team in football and basketball, and the all state tournament team in basketball during his senior year.

Subjects studied include: English—4 years; math—4 years; social science—4 years; science—4 years; Latin—2 years.

Tom was named as one of those receiving a Maytag Scholarship. He plans to attend college this fall taking a pre-med course.

Salutatorian

Salutatorian of the graduating class of 1963 is Sharon Van Dalen. Sharon's grade average is 3.84.

Sharon has made a very commendable academic record. She has taken 4 years of English, 3 years of social science, 3 years of science, 1 year of homemaking, 1 year of accounting, 1 year of shorthand, 1 year of typing, and 1 year of office practice.

All during her high school years, Sharon has been very active in the music department. She has been in the band 4 years, mixed chorus 4 years, placed first in the State Music Contest, and has been an accompanist in the vocal music department.

Sharon has received top honors in 4H work, earning a trip to Chicago. She was chosen a member of the National Honor Society. During her junior year, she received the D.A.R. award. Sharon has been very active in her church also.

Sharon was named as one of those receiving a Maytag Scholarship. She plans to attend Central College in Pella next year.

The All-State try-outs were held in Boone this year. Although there were no entries from the Sophomore choir, the Junior and Senior choirs sent four quartets. They were: Vicki Balmer, Nancy Veber, Kathy Kling, Kathy Wormley, Nancy Jones, Eileen Schultz, Ron Talbot, Larry Griswold, Doug Nickel, Eve McKee, Doug Larson, Richard Campbell, Diane Logan, Mary

the crown was shared Ames in 1953 when a record of 7-1 was held. Ames possessed the crown for seven years until they were defeated in 1961 by the Cardinals, 13-12. Newton's crown-capturing team in '61 had a slate of 5-2-2.

The 1962 Cardinals mounted the first rung of the ladder to their climb to victory at Ottumwa, by defeating them 12-7. Another step in the right direction brought a victory over arch-rival, Grinnell.

This year, because of the increase in the number of students participating in the vocal department, a Sophomore Mixed Chorus was formed in addition to the regular Chorus. Members of both choruses found themselves busy all year long. Each chorus participated in the Quad City Festival, which was held at the Newton Senior High School on October 16. Quartets were soon formed and they began practicing to try out for the selected All-State Chorus.

Throughout the year, small groups and soloists sang for the service clubs. As spring approached, small groups and soloists began preparing for the State Music Contests and the Spring Recital.

On March 23, the Chorus enjoyed a trip to Iowa City to present a program before other Iowa High School Choruses and the State University of Iowa Chorus.

The highlight of the year was the presentation of the operetta, H.M.S. Pinafore on April 22 and 23. Each member of the chorus cooperated very well to make this a huge success.

The mixed chorus presented selections for both Baccalaureate and Commencement to climax an enjoyable year.

This year has been a tremendous one for the band. In August we performed at the State Fair and the following month attended Band Day at Iowa State University. Also, All-State tryouts were held in Des Moines. In addition to these fall activities the marching Cardinals performed at all the home football games and the one held at Marshalltown.

In January the Winter Concert was held, followed by the Bandorama in March. In April we participated in the Band Festival at Oskaloosa and the Drake Relays parade in Des Moines.

May found us marching in the Cardinal Relays parade and the Tulip Festival at Pella. The year was climaxed by the concert for commencement.

The Newton Chapter of Future Farmers of America has 76 active members.

F.F.A. owns several items of farm equipment and cooperatively farms 40 acres of land at the airport. In cooperation with the Soil Conservation Service and other agricultural agencies it carries out conservation practices and other practices for the improvement of agriculture. It sponsors an annual dairy cattle field day for neighboring chapters, enters leadership and speaking contests sponsored by the Iowa F.F.A. Association and holds a Parent-Son Banquet. The chapter has received a superior rating from the National F.F.A. Foundation for the past three consecutive years. This year its livestock and meat-

judging team was one of the gold emblem winners at the State Fair Contest.

In Vocational Agriculture students study the techniques and science of agriculture production. They study marketing and other phases of farm management, and soil conservation and improvement. They are taught selection, maintenance and operation of farm machinery as well as the construction of farm buildings and other livestock equipment.

F.F.A. is a national organization of boys studying Vocational Agriculture in public secondary schools under the provisions of the National Vocational Education Acts.

DECA at Work

The Newton D.E.C.A. Club has been very active this year sponsoring dances, bakesales, and many other money-raising activities; such as selling Christmas wreaths, billfolds, and ballpoint pens. Through these projects, they purchased the official D.E.C.A. blazer for its members.

In November, the Iowa Delegate Assembly was held in Cedar Rapids. Both Donna Laver and Janice Kinart qualified to run for state offices. Janice was elected treasurer for the Iowa D.E.C.A. In March, they attended the State Leadership Conference in Des Moines. They participated in many activities and contests. The Club's activity manual received honorable mention and Janice Kinart received third place for a merchandise information manual.

On March 8, the Club held a carnival and dance.

The carnival was before a Bill Riley Talent Show with the dance held afterward. This was co-sponsored by the Delts.

During the year the Club visited the Dun-Lap Manufacturing Company and the Newton Daily News on field trips.

Finally in May the Club held a wiener roast for its members and guests as a farewell party for the seniors. This was held at Rock Creek Lake.

Throughout the year, D.E.C.A. has promoted their program by placing bulletin boards in the guidance office at Junior High and making displays in the D.E.C.A. room. It has been a very busy and eventful year for the Newton D.E.C.A. and one that will not be easily forgotten.

This school year has been a very enjoyable one for the Senior High Orchestra. In November, they were busy rehearsing for their performances for the fall play, "By the Skin of Our Teeth." Also, five of the members won positions in the All-State Orchestra held in Des Moines. They were Fred Chabot, Bonnie Butler, Carol Starrett, Marcia Davis, and Paul Fischer.

In January, the orchestra gave its Spring Concert, "Around the World with Music."

"Activity" was the key word for April. Several members participated in the Music Contest in Des Moines. The Quad City Orchestra Festival was held in Marshalltown. The orchestra gave an excellent performance in playing the accompaniment for the operetta, "H.M.S. Pinafore," which many of the members considered its crowning achievement. Finally, the month ended with an All-City Orchestra Festival held in the Senior High Auditorium.

Providing the music for the Baccalaureate in May was the grand finale for the senior orchestra members.

Varsity In Action

High-Lights of Another Successful Year in Speech

This has been another successful year for the Newton High School Debate Department. Attending eighteen tournaments during the year, the debaters brought home six first place trophies, three second place trophies, and two fourth place ones. The biggest victory of the year was winning the State Debate Championship of the Iowa High School Forensic League. Debating on the team that won the State were Carol Starrett and Craig Shives, affirmative, and Janet VanDyke and Larry Griswold, negative. By winning the State they qualified for the National Tournament in Houston, Texas. This marks the fourth consecutive year that Newton High School has qualified a debate team for the National Tournament. No other school in Iowa, and few schools in the nation, have achieved such a distinction.

Some of the high-lights of the year are as follows:

December—Carol Starrett and Craig Shives won first place in Debate at Lincoln, Nebraska. This was the second year in a row that these two won this tournament. Larry Griswold and Craig Shives won second place in debate at the Little National Tournament in South St. Paul, Minnesota.

January—Craig Shives won second in Original Oratory at the Mid-West Tournament in Newton. The

debate team of Carol Starrett, Gretchen Strain, Linda Matson, and Phil DeJong won third at this same tournament.

February—Ten out of the twelve students entered from Newton survived the district elimination to qualify for the I.H.S.F.L. State Contest. Craig Shives wins first in Boys' Extemp at Omaha.

March—Janet VanDyke won first in Girls' Extemp at the Iowa N.F.L. Contest to qualify for the National Tournament in Houston. Craig Shives won second in Original Oratory at the Iowa N.F.L. Contest. Carol Starrett and Larry Griswold won third in Debate at the Iowa N.F.L. Contest. Tom Sersland won third and Larry Griswold fourth in Boys' Extemp at the Iowa N.F.L. Contest. Carol Starrett, Craig Shives, Janet VanDyke, and Larry Griswold won all ten of their debates to capture first place in the I.H.S.S.A. State Contest in Grinnell.

April—Carol Starrett is elected to be the Representative from the Iowa N.F.L. District to the National Student Congress. Debate team wins the I.H.S.F.L. State Contest and qualifies for the National Tournament. Craig Shives wins second place in Original Oratory at the State Contest. Carol Starrett wins third place in Girls' Extemp at the State Contest.

D. E. & D. O. Extend

"Thanks" to

Their Employers

at Annual Banquet

The Distributive Education & Diversified Occupation students held a banquet in April for their employers. Verne Martin, past sales manager of the Maytag Co., was the speaker. To the D.E.&D.O. students, this banquet was a way of saying "thank you" to their employers for allowing them to enter the adult world of work, for their faith and belief in the "learn while doing" type of education, and for their investment in the student's future. The students will long remember the opportunity of gaining many valuable experiences which were provided during this period of apprenticeship with these organizations.

Cards - - CJC Champs

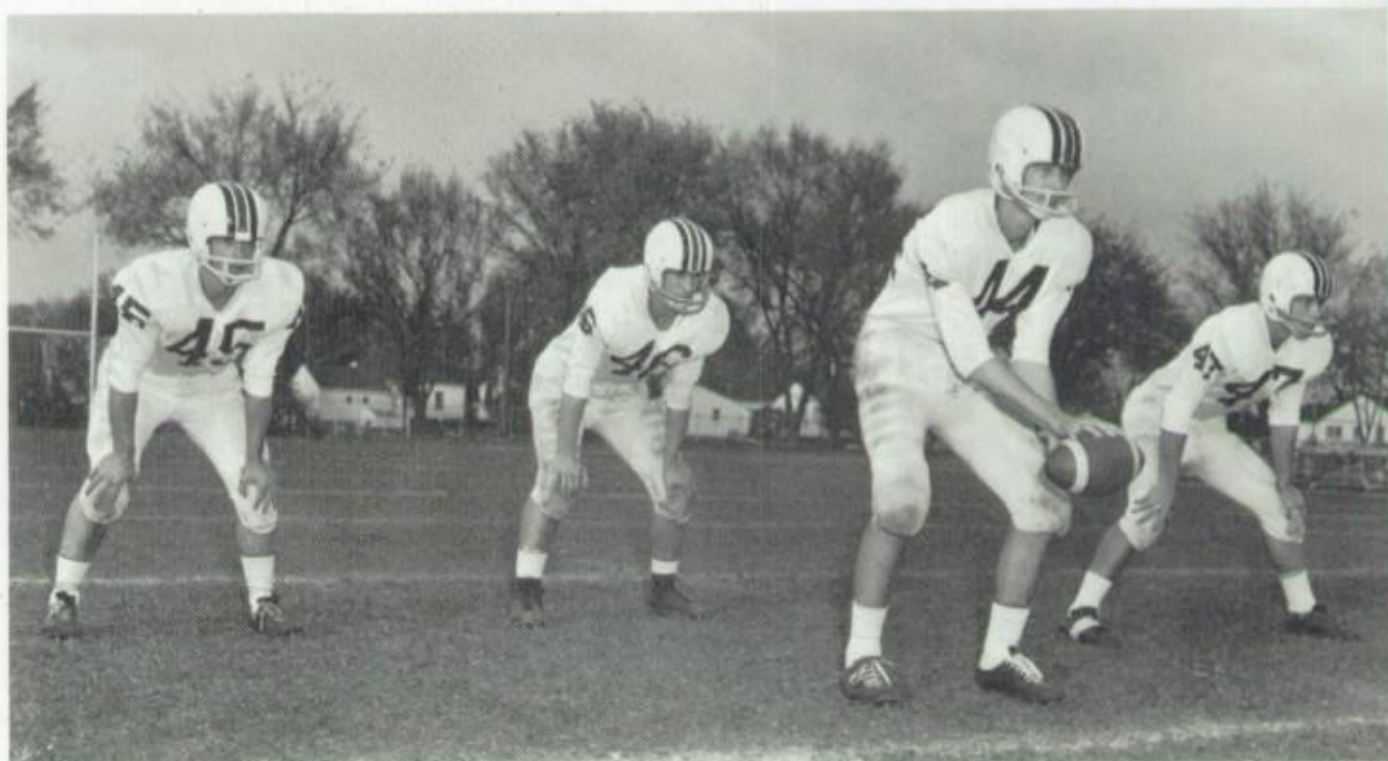

The 1962 Cardinal football team is one Newton will always be proud of. Under the guidance of head coach Paul Turner and assistants Bruce Hartman, Dennis Filliman, and Bob Stiles, the Cards captured the CIC title for the second consecutive season and rated fifth in the state, undefeated, with a 7-0-1 record. Tom Altemeier was named as a first team All-State guard with Larry Clement, Roger Sparks, and Tom Ross receiving honorable mention. The Cards also placed four on the first all CIC team; Tom Altemeier, Roger Sparks, Larry Clement, and Scott Power. Named to the second team were Dennis Schnathorst, Tom Ross, Gary Harper, and Larry Lust; Keith Shoemaker was chosen as a member of the third team. Returning next year will be the following five junior lettermen: Larry Lust, Jim Oliver, Jim Elliott, Jerry Bishop, and Ron Oswalt.

Cross Country Ranks High In the State

The Cross Country boys had a successful season under the guidance of Coach "Ole" Eidahl.

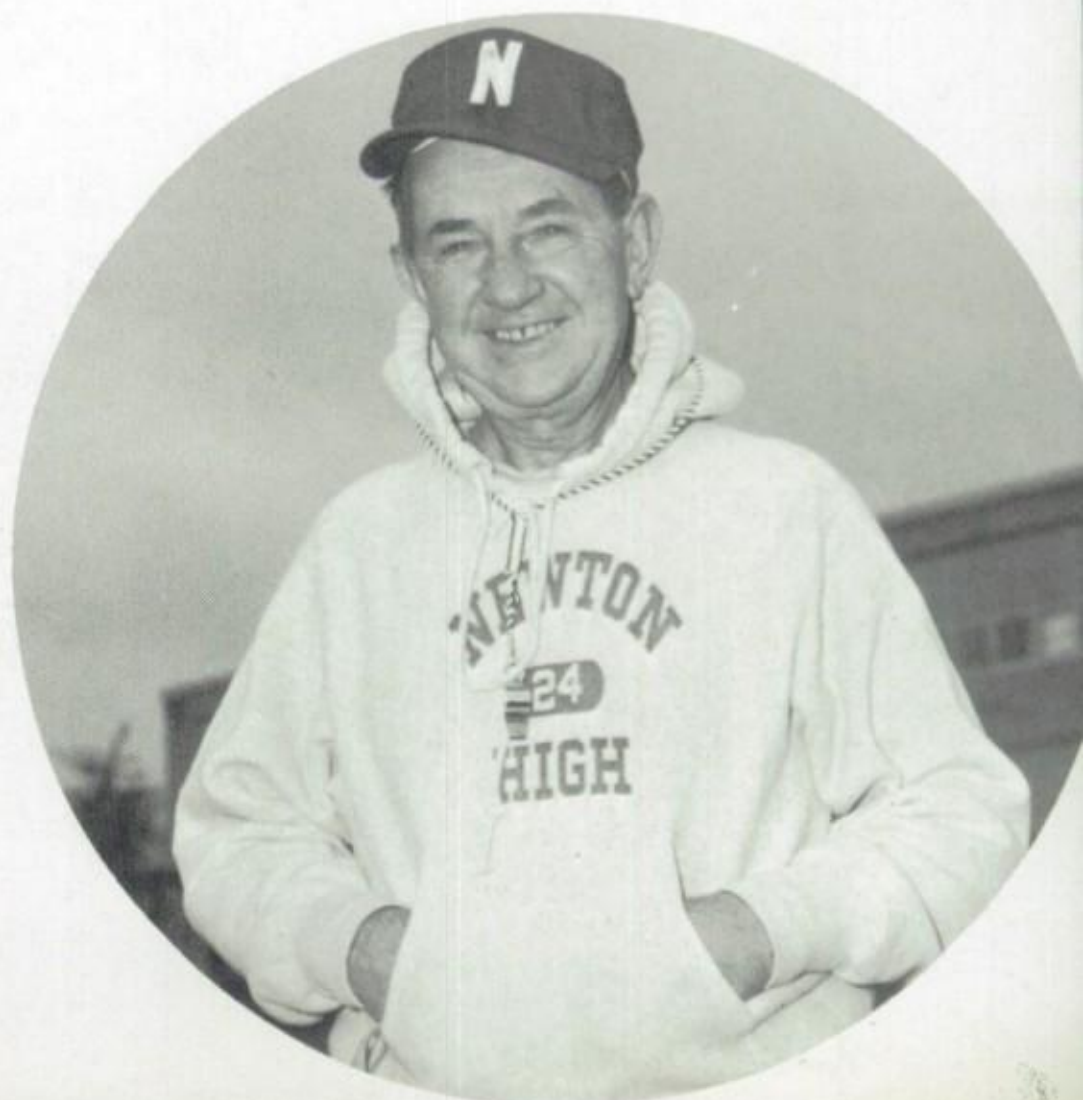

The Newton Mile team was victorious in meeting Grinnell, Oskaloosa, and Otumwa. They were second in the C.I.C. Conference, and placed fourth in the State.

The Cross Country Team handed Lincoln and Grinnell their defeats and placed second in the C.I.C. Conference and third in the State.

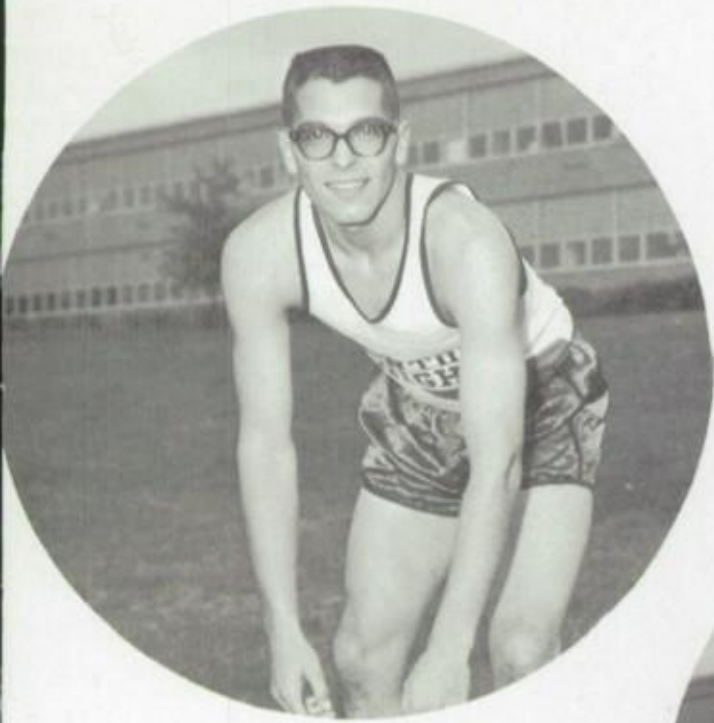

The overall record in the dual meet competition for both teams was six wins, two losses and one tie.

A new school record was set by Connie Shaffer in the Mile Race time of 4:44 which broke the previous record of 4:55.

I'd say they were really on their toes!

1963 Iowa State Basketball Champs

Cards End Season with Perfect Record

GARY WILLIAMS

Scored 286 points; top defensive player; 1st All Conference Forward; 3rd All State Team; 2nd All Tournament Team; "Prep of the Week" in Des Moines Register.

TOM ALTEMEIER

Scored 511 points; set new single-game rebounding record of 29; set new single game point record of 36; set season rebound record of 384; had 60.2% on field goals; 1st All Conference Team; 1st All-State Team; 1st All Tournament Team; voted the most valuable player; voted player who put team before personal benefit.

ROGER SPARKS

Scored 204 points; excellent defensive player; 3rd All Conference Team; 2nd All Tournament Team; Honorable Mention to All-State Team; voted player contributing the most.

DAN MARKMANN

Scored 235 points; best outside shooter; 3rd All Conference Team; Honorable Mention to All-State Team.

The 1962-63 basketball team will be remembered as the greatest in the history of the Newton High School. They were Central Iowa Conference Champions with a 10-0 record, the first time a Newton team has gone through the conference without a loss, and finished the regular season with an 18-0 record, the first undefeated season for Newton High School.

To cap an already outstanding season, this team went through eight tournament games to become the 1963 STATE BASKETBALL CHAMPIONS OF IOWA—undefeated, with a 26-0 record. This was only the sixth team to become undefeated State Champions in the history of Iowa basketball.

The 1963 team owns nearly all of the basketball scoring records and were led by players who set some outstanding records for Newton High School.

The team averaged offensively 70 points a game and the defensive average was 49 points. Congratulations, Team!

LARRY LUST

Scored 310 points; 2nd All Conference Team; 2nd All Tournament Team; Honorable Mention on All-State Team; 44.4% on field goals. Only regular who is not a senior.

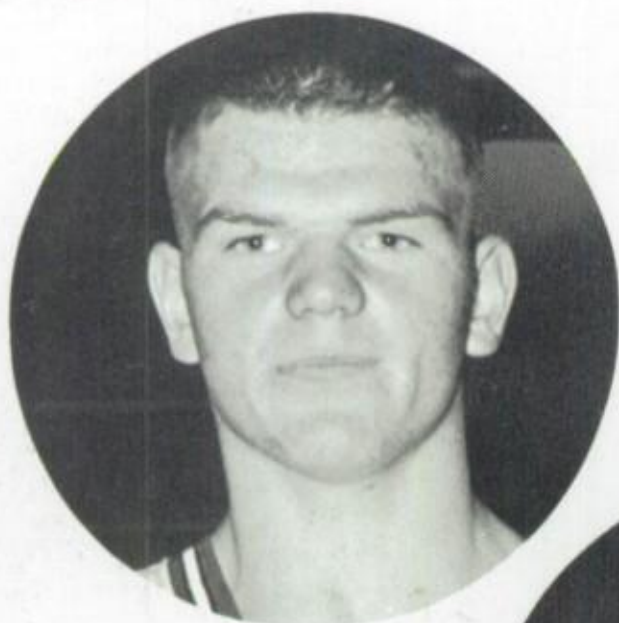

FRED GEORGE

Scored 109 points as forward replacement; Outstanding rebounder and a good jumper; Should be an outstanding player next year.

DAVE WICKETT

Scored 81 points as forward replacement; Sparkplug of the team; Excellent ball-handler; At his best when the pressure was the most.

Newton High School has reason to be proud of their 1963 wrestling team with their season record of 9-6-0. They also won the Quadrangular Tournament and came in 4th in the District Tournament.

Some of the outstanding records made by the wrestlers this year were: Don Harger 9-0-1, John Bleakney 7-0-1, and Clark Carnahan 6-3 record.

The squad can be proud of its hard efforts to make the wrestling program a success this year. Congratulations wrestlers!

Cardinal Relays

This year the Cardinals placed second with 80½ points at the annual Cardinal Relays.

Winning top honors were: Steve Findley, John Deutsch, Tom Anderson, and Pete Meindertsma in the Two Mile Relay; Tony Schutty, Tom Altemeier, Terry Oswalt, and Tom Ross in the 440 and 880 yard relays; Dennis Schnathorst in the pole vault; and Larry Lust in the high jump.

Taking seconds were Tom Altemeier in the 100 yard dash, Rick Anderson in the football throw; Gary Williams in the discus throw; and Steve Johnson in the high jump.

Tom Altemeier has been selected by the coaches as the outstanding athlete of 1963. He has participated in football, basketball, and track during his high school career.

In football, Tom was a regular tackle, both offensive and defensive, and was occasionally called upon to play end also. During his junior year he was selected to the first Central Iowa Conference team and was also the unanimous choice his senior year. Tom was honored by being selected as first team All-State on tackle by the Iowa Daily Press Association and the Des Moines Register and Tribune.

In basketball, Tom broke nearly all of the school scoring records and established all new rebounding records. He scored 511 points this season for a 19.7 per game average, set a new single game point record of 36 against Grinnell in the district, set a new Newton conference scoring mark for 10 games of 187 points, holds all of the rebounding records with a single game high of 29 and a season total of 384, and averaged over 24 points per game during the eight tournament games. His shooting percentage for field goal attempts was 60.2. Tom was selected on the following honor teams: First Team All-Conference, First Team All-State I.D.P.A. and Register and Tribune, First All-Tournament Team, and selected by his teammates as the most valuable player on the 1962-63 team.

In track, Tom placed second in the State 100 yard dash with a time of :10.1. He ran on the 440 relay which won the State Meet and broke the school record. Tom was also a member of the 880 relay which took second in State.

There is no doubt that Tom will greatly be missed. His loyalty, sportsmanship, scholarship, and character warrant him the merit which he has truly earned as outstanding in every way.

Roger Sparks, a 180-pound fullback, has been selected as the outstanding football player for the 1962 football season. He has been a varsity letter-winner all three years, elected as one of the honorary tri-captains, and a unanimous selection for All Central Iowa Conference honors. Offensively, his performance on the 1962 undefeated team would read like this: Carried the ball 134 times for 699 yards and a 5.2 yard per carry average; scored six touchdowns, the longest for 67 yards; and caught three passes for 35 yards.

The outstanding basketball player for the year is Gary Williams. For three years Gary, a tough rebounder, has been a regular on the team. This season he scored 286 points as the team's top defensive player. He was elected to the first All-Conference team at forward, chosen for the second All-Tournament team, named to the I.D.P.A. third All-State selections, and was the Des Moines Register "Prep of the Week" for his play in the 1963 state tournament series.

Outstanding Athletes

Tom Ross has been selected as the outstanding track runner this season. He was anchor man for the 440 yard relay which won the State and the 880 yard relay which placed second in State. He also ran on the mile relay at the Drake Relays which broke the school record in 3:29.4. Tom's spurt and enthusiasm was a big factor in the success of the 1963 track team.

This year's outstanding senior wrestler is John Bleakney, a very conscientious and hard working leader, and a fine sportsman. John compiled a record of 29 wins, 6 losses, and 2 ties in his four year varsity career. He won a third and two second place titles in state tournament competition, and won four consecutive championships in the annual Quadrangular Tournament. John was well rewarded for his superb efforts and was selected team captain for the 1962-63 season.

Scott Power has been selected as the outstanding golfer. He has been a letter-winner for three years and has the best average for meets, 39.73 for nine holes. He was a medalist at Roosevelt and ranks in the upper 10 in conference and district meets.

This year's outstanding tennis player is Richard Campbell. He has been a major letter-winner for two years and has compiled a fine record. During his junior year, he won 89 and lost 160 for a .357 average in singles. In doubles he won 4 and lost 6. In his senior year, his average was .500 in both singles and doubles. Richard also reached the second round of the District during both his junior and senior years.

Roger Hasselbrink has been selected as the outstanding baseball player. He has been a letter-winner for the last three years. During his junior year, he was second All Conference and this year he is a prospect for the number one catcher in the conference.

Editors Note

We would like to give our thanks to all the people who have worked so hard to make this 1963 Newtonia the best ever—the staff whose work and planning put this annual together, and the students and teachers who extended complete cooperation throughout the year.

For the photography we would like to give recognition to Hanssen, Hawkins, Tyler, Clouse, and Jennings Studios, The Newton Daily News, and John Marshall.

We would especially like to thank Mr. Turk for the many hours of work he spent on our 1963 Newtonia.

In years to come we hope you will find this yearbook full of many pleasant memories of this great year!

Remember your Junior
year as a great year, but

could be best of all. Be
good this year. Good luck

always to a wonderful year,
who I'll never forget (you.)

Good Luck with Donna
also. She's a real punch

girl, so be good to her,
and when you're with
her, also.

Forever Yours,
(Candy Bar)

Latze Luck,

[illegible]

September 29, 1963

To Dear Ole Lar -

What would this world be without all the great guys like you in it? (Ole, Carl & Gary Don to mention a few!) It'll be so terrible next year without that GREAT Sr. class - four guys in particular! Remember all the fun and laughs & happiness we've all had together - Sure hope they'll be many more of these in the future. Member - that nite after the game before we went to Donna's to ^(sp?) pick up Pizza? What Corn Crib?? Wasn't it just a tiny bit scary? But - We have fun! And that nite after work when we were following that guy & we were scared cause of the 'okseifers'? Member that red light car thought he saw in that window & so we went by & it weren't there? I'm tellin you - that guy has an eye for those kind of things! Gotta watch him & take care of him for me. Best of luck with Donna Larry and watch her too - Someone needs to help us & they can't take care of themselves. Always remember me as a real good friend. Love ya, Shree

I am
to a great guy
but I'll always
remember, and don't forget
our physics class.
Don.

Harry
lots of luck with
your girls fellows. Keep
free for a while longer. I've
had fun knowing you. Good
luck in the future where
ever it takes you.

Dave Bennett
'64

Fellow Senior,
you don't know how I
enjoy seeing your smiling
face every morning nearly
I guess the Senior really
do it up big this year -
West - the pas - and things
will be better ???
Don't

Harry
It will soon be time
for all of us seniors
to part so be sure to
not go to Les' house, so
you won't be here to graduate.
Wait till after. Best of luck
to a real Great Guy
Harry L.

Larry,

Tell dear boy, here I am and boy it sure is hard to decide what to say. Though we haven't known each other well for over a month, we've had so much fun that I could never begin to recall everything!

That first night with Carl and you was so much fun though I'll never understand why it was Carl who took me home!?!?

I don't care what anyone says Larry. I like your car!! Even if it doesn't co-operate all the time! I needed my exercise that night anyway! Talking was a lot of fun though really.

Shere, Bette, and I have decided to declare September 8 as National Suit and Tie Day! Don't forget to celebrate it every year!

All kidding aside Larry, I feel I would have missed out on a lot of fun if I hadn't met you!

May God bless you Larry! You're a wonderful guy and I'll never, never forget you!

Love, Luck, and Lollipops

P.S. Looking forward to Friday night with questioning thoughts about the hours between 9 and 11!
Donna

Harry
to a real great
guy who was
afraid to talk to me
because of Dean Donnie (HA)
He always manage to have
at least one class together. Last
year it was Am. History. This
year Eng. Lit. Best of luck always
to a real real nice guy. I hope well
always be friends.

Always
Les
64

"Larry"
What's this
about Carl taking
Danna home?? I am
always the last one to
know about everything.

This is to one of the
greatest guys in the great senior
class. Really I think we have had a lot
of fun so far and I hope there is much
much more to come. There are four
senior boys who I am always happy to be around
first of all is Carl, of course, but, then following behind comes
Gary, Larry, and Alan.

Lots of luck in the future to a real Great
Guy!

Butte

Larry,

Well this is my big chance to show off my new pen. I guess the thing I'll remember most is Tom C. and all the good times at Safeway #31. I guess we've been about as close in the last year as brothers, always getting into and out of trouble together especially car wrecks. I suppose we could forget that couldn't we. Always remember me and all the money I owe you and you'll be a right nice guy.

the Hunter
'64'

Larry,

Well it's finally happened, we ran into somebody else who was out for a good time, wonder how they like being knocked around the A.W. parking lot. They say our turn is next but I hope not, "I'm a coward"! Now we can always remember last summer and all of our 'jolly good times' like for instance 2 County fairs, a state fair, and those messing around times all over town.

Well what I said was right, "a poor dog always runs home", now we've both done it and are kind of stuck in the situation. "Maybe we better decide if it's good or bad."

Well I am about ready to quit
I'd be a good kid and keep out of trouble
if possible.

Carl
